Recent Work History

SunBurst Graphics Dec. 04 to Present
Senior Graphic Designer, Owner CA and WA

SunBurst Graphics is an independently owned, full-time freelance graphic design business that delivers superior design to a wide variety of industries. Typical design projects include logos, corporate identity packages, business cards, brochures, presentations, fliers, postcards, trade show graphics, posters/ banners, packaging and much more. **I design anything under the sun.**

Extensive experience in the printing industry and print setup, working with multiple vendors. Work well under pressure and consistently meet tight deadlines. Extremely reliable and provide professional and personalized service. Work closely with web designers, supplying images and input per their technical specifications.

A more detailed description of SunBurst Graphics can be found at www.sunbgraphics.com.

See list of representative clients and references on page 2.

Chameleon Graphics Jan. 00 to Dec. 04
Manager, Senior Graphic Designer Newport Beach, CA

Established Chameleon Graphics through investor, Cruttenden Partners, as a full-service graphic design and printing company for the retail/resale market. Solely responsible for all operation, graphic design, in-house high-volume digital printing and production, quoting, outsourcing and working with multiple vendors.

E*Offering Oct. 98 to Dec. 99
Senior Graphic Designer Newport Beach, CA

Started E*Offering's in-house graphic design department. Developed company's corporate identity in conjunction with E*Trade. Handled all graphic design, produced marketing collateral, presentations, business cards, printed material, and much more for 200+ employees in three office locations. This company was acquired shortly after its inception.

Cruttenden Roth Jan. 96 to Sep. 98
 (now Roth Capital Partners) Irvine, CA
Senior Graphic Designer and Production Printer

Established in-house graphic design department for five branch offices. Developed company's presentations for print and display, produced advertisement and marketing materials, handled production of all printed materials for five office locations, hired and managed employees of the design department.

Professional References

Current, Long Standing Client Reference

Scott Feuchter - 949.737.4798
Director of Marketing
Stradling Yocca Carlson & Rauth

Scott and I have been working together for over 7 years. We work as a team producing marketing collateral for Stradling's nine office locations. Typical projects include advertisements for publications and web, print and email invitations, flyers, brochures, signage and posters and much more. Almost all projects are need to be turned around on a dime, very often the same day. We work very well under pressure on a regular basis. [Linked in](#).

Past Supervisor and Co-Worker Reference

William A. Owen - (949) 300-1653
Principal
Global Capital Markets, Inc. /
GCMI Securities Corp.

Bill is a Corporate Finance Professional and an Investment Banker. We worked very closely together for over 10 years at companies founded by investor, Walter Cruttenden, many of which were start-up ventures, including Cruttenden Partners, E*Offering and Chameleon Graphics. [Linked in](#).

Client, Vendor and Associate Reference

Rikki Landoff - (714) 269-8384
Owner/Operator, Print Broker
Press Solutions, Inc.

Rikki is currently a Print Broker. Prior to that she owned and operated an offset printing company for 17 years. We have been working together for over 20 years. She handled all printed materials for my clients for many years. Currently I handle all graphic design and printing needs for Rikki's clients and assist in operating the Press Solutions, Inc.
