**Work History (in the graphic design industry)**

SunBurst Graphics Jan 2004 to Present  
 Senior Graphic Designer, Owner CA and WA

**SunBurst Graphics** is an independently owned, full-time freelance graphic design business that delivers superior design to a wide variety of industries. Typical design projects include logos, corporate identity packages, business cards, brochures, presentations, flyers, ads for all types of publications, invitations, announcement, postcards, trade show graphics, posters/banners, packaging and much more. **I design anything under the sun.**

Extensive experience in the printing industry and print setup, working with multiple vendors. Work well under pressure and consistently meet tight deadlines. Extremely reliable and provide professional and personalized service. Honest, ethical and high integrity. Work closely with web designers, supplying images and input per their technical specifications.

A more detailed description of SunBurst Graphics can be found at [www.sunbgraphics.com](http://www.sunbgraphics.com).

**See list of representative clients and references on page 2.**

Chameleon Graphics Jan. 2000 to Dec. 2004  
 Manager, Senior Graphic Designer Newport Beach, CA

Established Chameleon Graphics through investor, Cruttenden Partners, as a full-service graphic design and printing company for the retail/resale market. Solely responsible for all operation, graphic design, in-house high-volume digital printing and production, quoting, outsourcing and working with multiple vendors.

E\*Offering Oct. 1998 to Dec. 1999  
 Senior Graphic Designer Newport Beach, CA

Started E\*Offering's in-house graphic design department. Developed company's corporate identity in conjunction with E\*Trade. Handled all graphic design, produced marketing collateral, presentations, business cards, printed material, and much more for 200+ employees in three office locations. This company was acquired shortly after its inception.

Cruttenden Roth Jan. 1994 to Sep. 1998  
 (now Roth Capital Partners) Irvine, CA

**Senior Graphic Designer and Production Printer**

Established in-house graphic design department for five branch offices. Developed company's presentations for print and display, produced advertisement and marketing materials, handled production of all printed materials for five office locations, hired and managed employees of the design department.

### Robin Gerard

949.725.4131 | [RGerard@stradlinglaw.com](mailto:RGerard@stradlinglaw.com)

Chief Marketing Officer  
Stradling Yocca Carlson & Rauth

Robin is the Chief Marketing Officer at Stradling. I've been working for/with the Stradling marketing team for over 25 years. As a team, we produce marketing collateral for Stradling's 12 office locations. Typical projects include advertisements for publications, web, and print. Invitations for print and email. Flyers, brochures, signage, and much more. Almost all projects need to be turned around quickly, often in the same day. The marketing team and I work very well under pressure together on a regular basis. See Robin's LinkedIn profile for more details. [Linked in](#)
